

Hello World

We are still on the initial page for this example. Now I'll ask Prawn to gently start a new page. Please follow me to the next page.

See. We've left the previous page behind.

---

Text padded both before and after.

---

Text padded on the top.

---

Text padded on the bottom.

---

Text written before the float block.

Text written after the float block.

Text written inside the float block.

The image will go right below this line of text.
